

PORT OWEN YACHT CLUB ANNOUNCES ROBTEK AS NAMING SPONSOR FOR THE DIAMOND COAST YACHT RACE 2027

VELDDRIF, SOUTH AFRICA — Port Owen Yacht Club (POYC) is thrilled to announce Robtek as the official naming sponsor for the 2027 Diamond Coast Yacht Race. This exciting partnership brings together one of the West Coast's premier offshore sailing events and a leader in innovative technical support, setting the stage for an extraordinary race that starts on the 20th March 2027 in St Helena Bay, on the South African West Coast.

The **Robtek Diamond Coast Race 2027** will challenge sailors along the rugged, breathtaking coastline of South Africa's West Coast. Known for its demanding navigation and rich maritime tradition, the race draws top-tier crews, local sailing enthusiasts, and coastal visitors alike.

"We are delighted to welcome Robtek as our naming sponsor for 2027," said the Commodore of Port Owen Yacht Club. "Robtek's commitment to precision, performance, and excellence aligns perfectly with the spirit of offshore racing." Their support allows us to elevate the experience for participants and spectators, ensuring this edition will be one for the history books."

Robtek's sponsorship reflects the company's dedication to supporting competitive sport, community engagement, and coastal events. The partnership will fund enhanced race management, safety infrastructure, and shore-side support for competitors and families at Port Owen and Luderitz.

"Sponsoring the Diamond Coast Yacht Race is a natural fit for Robtek," said a spokesperson for Robtek. "Navigating the open ocean requires skill, resilience, teamwork and reliable technology—values we live by every day. We look forward to working alongside Port Owen Yacht Club to deliver an unforgettable event in 2027."

Official race schedules, entry details, and event highlights will be published on the **Robtek Diamond Coast Race 2027** website, Port Owen Yacht Club website, and social media channels in the coming months.
